

REMARKS/ARGUMENTS

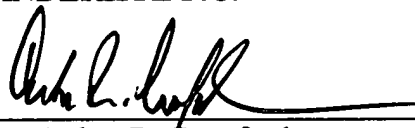

In the above amendments, in formula (5) at pages 6 and 13 of the specification and formula (5) of claim 6, the definition and structural representation of R^{13} as a phosphorous monoester has been changed to a phosphorous acid diester $-OR^{13}$.

An early and favorable action on the merits is awaited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
